Lower Saxony – Scotland Joint Forum 2020

24 November 2020

Session VII – 10 am CET

Building Partnerships in Psycholinguistic Research

Workshop Organizers

Joanne Ingram, *University of the West of Scotland*

Christopher J Hand, *Glasgow Caledonian University*

Description

This workshop will examine current trends in language research within the fields of psychology and linguistics. Presentations will include researchers' ongoing projects in psycholinguistics covering a broad scope of areas, for example anaphor resolution, experimental pragmatics, semantic priming, and cross-linguistic interference. The enhancement of methodologies for research in language, including analysis techniques will also be considered. Researchers will be encouraged to present, highlight or suggest innovative methods of data collection given the on-going global COVID-19 pandemic.

Programme

(The times of the programme items are indicated in CET.)
