Lower Saxony – Scotland Joint Forum 20 + 21 November 2023

Online Conference

The European Centre for Advanced Studies (ECAS) cordially invites you to the fourth edition of the **Lower Saxony – Scotland Joint Forum!**

The Joint Forum is an annual conference designed to foster the relationship between higher education institutions within both regions, by establishing lasting links between academics, staff, and students. It is the perfect platform to network, to expand existing partnerships and to establish new collaborations.

Day 1 You may expect a dynamic discourse between renowned experts and academics from Lower Saxony and Scotland on contemporary issues. The conference will resume its online format to enable equal participation opportunities for everyone. Interactive discussions between all participants will be encouraged and plenty of opportunity for networking provided.

Day 2 The second day is dedicated to academics, staff and students, whom are invited to host their own workshop. The goal is to present and discuss joint projects, build momentum in existing co-operations and stimulate new ideas and partnerships for future collaborations. The Open Call for Workshops will be published shortly.

We look forward to seeing you at the **Lower Saxony – Scotland Joint Forum 2023!**
